BRNO

Brno, the second largest city in the Czech Republic, is situated in the heart of Europe, approximately 200 km from Prague and 140 km from Austria's capital Vienna. It is the centre of Moravia, one of the Czech Crown's historical lands.

In Brno there are a large number of historic sights, such as Tugendhat Villa, included on the UNESCO list, or the Spilberk Castle, where there was a well-known prison in the past. The Brno fairgrounds, founded in 1928, is a place where world-famous trade fairs and exhibitions take place.

Brno is also a place where many sports events are held, such as the annual Grand Prix of motorcycles held on the Masaryk circuit. The Laser Show Hall is a part of sport complex, where the Czech Dancing Championships have been held three times already and Miss Czech Republic is regularly selected there. We are confident that you will enjoy your visit to Brno and we wish you great sport success.
